

Northern Michigan Regional Entity (NMRE) Provider List

The NMRE is the Prepaid Inpatient Health Plan that manages the behavioral health (mental health, intellectual disability, and substance abuse) services for individuals enrolled in Medicaid for the 21 counties in Michigan's Northern Lower Peninsula.

We work with the five Community Mental Health (CMH) service programs, and their contracted provider networks, within our region to provide mental health and intellectual disability for these counties; if you are in need of **mental health** or **intellectual disability** assistance, see the first section below for a listing of these providers.

NMRE also directly contracts directly with **substance abuse** providers to provide substance abuse services in our 21 counties, these providers are listed below by service as well.

A **provider** is any individual, network, or organization with whom we, or our CMH partners, contract to work directly with our clients. Many of our providers are here in Northern Michigan, however, we also contract with organizations across the state in order to serve our communities.

*"CCT" column indicates whether a provider has a staff member whom has received Cultural Competency Training.

Table of Contents:

Scroll our directory to see the providers listed under each service type, ordered as below

- [Community Mental Health Offices](#)
- [Opioid Health Home](#)
- [Substance Abuse - Outpatient](#)
- [Substance Abuse - Intensive Outpatient/Partial Hospitalization](#)
- [Substance Abuse - Residential](#)
- [Substance Abuse - Methadone Services](#)
- [Substance Abuse - Withdrawal Management Services](#)
- [Substance Abuse Prevention Program](#)
